

UNRATIFIED

A SYMPOSIUM ON THE **EIGHTEEN TREATIES** BETWEEN CALIFORNIA INDIANS AND THE **UNITED STATES, 1851-1852**

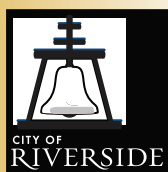

In the years 1851 and 1852, three federal commissioners signed eighteen treaties with numerous tribes throughout the new state of California. However, the United States Senate never ratified any of these agreements. The Riverside Metropolitan Museum proudly presents an academic symposium with scholars, tribal leaders, and members of the local community on these little-known but important treaties.
