

PECHANGA TRIBAL TANF PROGRAM STUDENT CODE OF CONDUCT FOR FIELD TRIPS

Pechanga Band of Luiseño Indians funded field trips are planned with an educational, cultural and leadership objective. The success of these field trips depends upon the conduct of all students who participate. Participation in a Pechanga backed field trip is a privilege. It should be noted that attendance is voluntary, not mandatory, and, as such, the student agrees to abide by the rules and regulations or forfeit his/her personal rights to participate in the field trip. In order that everyone receives maximum benefit from their participation on this field trip, the "Student Code of Conduct" must be adhered to at all times. There are standards for behavior that students are expected to uphold at all times. **These include:**

1. Respecting public and private property at all times.
2. Obeying all policies of the Pechanga Youth Department, and Tribal TANF Program for the duration of the field trip.
3. Conducting oneself in a courteous and respectful manner at all times.
4. Remaining in the presence of adult supervision at all times, unless explicit consent has been given by an adult supervisor.
5. Following directions and instructions of chaperones without fail.
6. Refraining from bringing, consuming, or being in the presence of drugs, alcohol, or tobacco. Understanding that choosing to bring, consume, or be in the presence of others who are consuming will lead to suspension and/or expulsion, as well as immediate termination of the field trip privilege. Consequences will be applied regardless of whether the student has brought or consumed alcohol, tobacco, or drugs, or has associated with, or is in the presence of others who are consuming drugs, alcohol, or tobacco.
7. Acquiring a physician's written orders to carry and take any prescription medication.
8. Adhering to the field trip dress code.
9. Abiding by the curfew established.
10. Spending each night in the assigned room.
11. No student may leave his/her room for any reason after lights are out without a chaperone's permission and presence.
 - a. The only exception to this rule is when all hotel guests are to respond immediately to a fire alarm or other emergency situation.
 - b. No student shall be in another student's room when the other student is of the opposite gender, unless a chaperon is present
12. Consenting to a luggage check by appropriate staff prior to leaving for the field trip, and upon return.
13. Allowing to a search of the room and personal belongings at any time deemed necessary by the appropriate staff.

The penalties for rule violations may include the following:

- a. Reprimand
- b. Probationary period
- c. Disqualification from future activities
- d. Being sent home at own expense
- e. Suspension and/or recommendation for expulsion from future youth activities.

I understand the behavior expectations and the consequences of violating the Student Code of Conduct. I understand that any illegal activity will immediately be reported to tribal or local law enforcement. I have read this code of conduct and agree to comply with all of the rules and regulations, as outlined by Pechanga Youth Department and TANF.
