Dear Pechanga Tribal Member:

Greetings from the Human Resources Department. Attached are the open positions we currently have for your review. If you have an interest in any of the positions, please contact one of our Staffing Specialists below as soon as possible. You may always check current openings by going to our website [www.pechanga.com](http://www.pechanga.com), click on the casino site and go to the employment icon. You may even apply directly from home!

If you don't see your dream position posted, please contact us directly and let us know what type of positions that interests you. We may be able to offer you an alternative that you may find advantageous. We also now offer career counseling and job training through our new Tribal Development Department.

Due to the reduced supply of qualified applicants for some positions, we need to list these positions as open "until filled" and may require a longer length of time to fill. These positions can be applied for until a candidate is selected. We will, in all cases, abide by the Tribal posting requirements and Tribal hiring preference.

Our Staffing Department is ready to discuss your career opportunities and walk you through the hiring and interview process to successful employment at Pechanga Resort & Casino.
