## Become a Relative or Foster Caregiver

Did you know native children are removed from their homes at 2-3 times the rate of their white counterparts and are often not placed with relatives or other Indian families? (NICWA.org)

As a foster parent, you can make a difference!

If you've ever thought about becoming a relative or foster caregiver, then please contact the Pechanga Child and Family Services Department to learn more. We can answer any questions you may have regarding the application process, funding info, upcoming training classes, and your rights and responsibilities as a caregiver.

You can contact the Pechanga Child and Family Services at (951) 770-6106 or email Rebecca Barrientos at [rbarrientos@pechanga-nsn.gov](mailto:rbarrientos@pechanga-nsn.gov)
